# **Finished Project**

## Funding

€40,000 raised to date.
 This will now enable us to finish off our school
 GP hall which is due to be completed by March 2023.

Our new goal is to raise an additional €50,000 to put state of the art play and recreational facilities in place for our pupils.

## **OUR PROJECT**

- Killoughteen NS has acquired funding to build 2 mainstream classrooms with ensuite toilets, 1 SET room, 2 ASD rooms with ancillary accommodation, a Hall and a new drop off and collection area. It is brilliant to see builders on site and the project becoming a reality.
- We had initially sought your help to get our GP Hall constructed and fully finished. We have now secured extra funding from the department and with €40,000 which has been raised to date form fundraising, our GP hall vision will also be a reality by the spring of 2023. We are very appreciative of your support.
- We are delighted that we will have state of the art classrooms and a Hall, 2 Special classes and ancillary accommodation for our pupils. We are now seeking your help one last time. We would like to have state of the art play and recreational facilities for our pupils. We aim to increase our astro-turf area to 1800M<sup>2</sup>, and purchase playground equipment.
- Our target is to raise an additional €50,000.
  You can help us to achieve this.

## How to purchase a Brick

This is an exciting opportunity for everyone to play their part in the construction on our new facilities.

When purchasing a brick your name or business name will be displayed in a public prominent position on the new build

### Bricks cost €100 each

To purchase a brick go to www.killoughteenns.com & go to "DONATE"

#### OR

Complete the attached form and drop off to the school with €100 cash

C For more information contact the school at info@killoughteenns.com or 069-61195

Be a part of tomorrow ...today. Buy a Bric
